ABIGAIL

Living as a single has made Abigail get used to the pleasure of her hand and toys. Since she worked from home, she was completely alone most of the week. She had gotten into the habit of walking around the house in nothing but lingerie, it helped get her off. Whenever she needed a little pick me up, she could just reach down into her night stand and her skilled with her vibrator would give her a nice but perfect orgasm. This was one of those days.

Wild Ones

My last year in college I met one of the wildest girls I had ever been with. She was slim, blonde and had a smallish chest and braces; a lot like Leah Luv from your cover. We skipped at least six classes one semester just to fuck. She made me late for another half dozen just to give me a hummer. We would drive out to the desert on weekends and find big rocks to fuck on. She was wild!!

— Ted, ASU

Par three...

One weekend I was going to spend the night at my college friend's house, Ray and his hot, young girlfriend, Michelle. They live in a golf course community, and we were going to golf all weekend. I drove over to his house to find that he was already on the links without me. Michelle answered the door and invited me in. I sat in the living room for about ten minutes when Michelle comes back and says that Ray would be at least another hour or more.

"You look bored," she said, walking over then sitting next to me on the sofa. "I don't mind, just hope he's not too tired to go another round." I said looking over at her. She put her hand in my knee and I looked at her confused.

She started moving her hand up my leg, and I grabbed it and asked "Michelle, what's going on?"

"I've seen the way you look at me, and when I bend over I know you stare at my ass," she said. I looked down. "I want you. Always have," she said. I looked over at her and realized she was being serious. I couldn't help myself. I kissed her gently on the lips. "I know you have more than that. We have to do this all quickly," she insisted. I nodded, then pushed my tongue into her mouth. I laid down and pulled her on to me. I grabbed her ass and started massaging the cheeks as we kissed. She started dry humping me and she started moaning. I pulled off her shirt and started sucking on her boobs.

She stood up and took her leggings off revealing her dripping wet pussy. I stood up and

pushed her onto the sofa. She unbuttoned my pants slid them down, grabbed my hard cock and shoved it into her pussy. She moaned and giggled as my cock went deep inside her. With every thrust her moans got louder and louder, until she came hard. She stood up and we kissed when she turned around. I shoved her back onto the sofa.

Then I held both of her legs up and shoved my cock deep in her ass. As I was fucking her, she was moaning and massaging her hard nipples. She came again and her ass got so tight it felt like someone was squeezing my cock with their hands. She screamed and laughed. I took my dick out, and started licking her pussy. She held my head at her pussy. I started tongue fucking her, then began sucking on her clit. A couple seconds later she was screaming from her orgasm.

Suddenly, we heard someone walking towards us in the house. We froze knowing that we'd been caught. It was Michelle's neighbor Myna. "Michelle, I thought we were brunching?" she said. Looking at us naked on the sofa, and me with a rock hard cock. Then she was silent for a moment. "I'm pretty hungry," she laughed and rubbed her pussy through her dress. Michelle and I looked at each other. Myna smiled and walked towards us. I met her with a tongue in her mouth, and a slap on her ass. Michelle and Myna started kissing as I slid her dress up. I started rubbing Myna's pussy, then took her panties off. I stuck my cock into her pussy and started fucking her hard.

Michelle sat up, mounted Myna, and started humping her as I fucked her. Seeing Michelle's ass moving as she humped Myna made me fuck Myna even harder. Myna came so hard she started screaming too. They tongue kissed a bit more, then Myna pushed her down on the sofa. I shoved my dick in Myna's ass as

she started tongue fucking Michelle's ass. Myna's asshole was so tight as I thrust deep inside of her.

"I'm gonna cum." I said. They both got on their knees as I pulled out of Myna's ass. I shoved my cock into Michelle's mouth as Myna sucked on my balls. I came in Michelle's mouth, then she spat out some cum into Myna's mouth. They started tongue kissing again as I watched. "I think Ray is almost done on the course." Michelle said. As we started putting our clothes back on. I pinned Myna up against the wall and sucked on her boobs for a little bit. Michelle joined and sucked on the other one. I went down on Myna and made her cum one last time.

I handed Michelle her dress and as she went to grab it and I pulled her in close. "If we had a chance, I'd fuck you again." I said putting my tongue into her mouth. We kissed for a moment. She grabbed my cock and Myna and said "I want to fuck both of you again." We finished putting our clothes back on. Ray came in about ten minutes after we got dressed.

"What are you guys up to?" he asked, as we were all sitting in the living room. "Oh nothing, just talking." Ray walked out of the room. As soon as he was gone, we started taking about the next time we'd fuck. "How about tonight, after Ray falls asleep?" Michelle suggested. We all high fived.

From Dining Out to Eating In

It was only our second date, but it had been more than a month in coming. Me and Vikki

were heading to a small Italian restaurant that boasted 'Mama's Home Cooking.' I sure hoped the meal would show my good taste in fine food. I had been there a couple times before and it did not disappoint. I especially liked the large semi-circular, over-stuffed booths around the perimeter of the main dining room. And with the long tablecloths, no one could see what was happening below table level. Nor did anyone really care.

We were seated in a corner booth and ordered a couple glasses of wine to start along with the antipasto. Our conversation easily flowed for a couple hours, just like the drinks. Feeling wonderfully tipsy and lusty, Vikki started to go a bit further than just rubbing my leg. She went for the zipper, found it and zzzzzp — pulled it down in one swift move.

"No underwear?" she whispered in my ear. "Not tonight, honey." I replied. "That's funny, not me either." she said as she found my cock and pulled it out from its confines. She squeezed it and it became even harder, especially when she used her fingernails across the turgid head. That singular sensation almost made me cum right then and there, but she squeezed hard and stopped me.

Taking my hand off the wine glass, she guided it under the table to her wet pussy. With no undies, she tells me to be quick because if she gets too wet, she'll stain her dress and embarrass us on the way out. I say I don't care and we laugh. My fingers deftly find her

Anal cheery

It's Friday night and classes are over for the week. I'm on a date tonight with this cool guy that I'm finally going to give up my booty to. My girlfriends that have done it tell me it will hurt a little at first but then I will like it. — What can I tell you, I did it. I got butt-fucked and it felt good. Fortunately he was not very big or very thick He took it nice and slow at the start by inching it in and leaving it there until my ass muscles relaxed. Then another inch in and wait, until I was wanting it all. That night, no oral sex, no, pussy sex. Just anal. Wow! Great!

— Jillian, T A&M

snatch and feel no pubic hair. "You're bald?" I ask as I squeeze the soft flesh around her mound. "Not really," she says, "I have a little landing strip." Then whispers, "Just for you." Well, that was enough to get two fingers pushed into her pussy. She gave out a little moan at the table just as the waiter was passing. "Yes, miss? Would you like something?" the waiter asks. "No, thank you, I'm already getting it." We both giggle and the waiter smiles and moves on.

Dinner's over and we decide to head home. I pull into her driveway about midnight and Vikki invites me in and takes me by the hand straight up to her bedroom. Inside, Vikki lets her long dress drop from her shoulders and fall onto the floor. She was wearing nothing underneath. Her blonde hair perfectly framed her face and her breasts are bigger than most and, as I will soon find out, quite firm. Her hips are round and butt's firm, and yes, she has a landing strip.

Vikki didn't say a word as she fell back on the bed, propping herself on her elbows and looking at me as I took it all in. She rolls over onto her belly and motions me to join her. In no time flat, I'm naked and sitting on the bed beside her. I then kiss the back of her neck, dragging my fingers down along her back. I watch her back muscles flex and skin get goose bumps.

Vikki rolls on her side and positions her head in my lap, instantly sucking on my cock. I fall back on the bed to give her better access to my cock and balls. I slip my hands around her boobs and my fingers find her nipples and I squeeze them hard. She yelps and in return gently bites my cock, baring her teeth for me to see. I squeeze them again and she gulps the whole thing down and gives my scrotum a twist, that I find painfully pleasurable.

Her lust was quickly becoming far too much

for her to endure. I slide my hand up her legs and find her swollen clit, massaging with my fingertip over her quivering bud. I plunged my fingers into the juicy depths of her pussy and finger fucked her while she sucked me.

Soaked by her pussy juices, my fingers begin exploring her perfect butt hole. In the dim light I can see her brown star quivering with anticipation and I do not deny it. Gently circling it, I plunge a finger in knuckle deep. She moves her butt to help push it in deeper.

I felt Vikki's butt cheeks quiver as she felt her booty hole penetrated. But the penetration she desperately wanted would take a little time. She dipped her own fingers into her wet pussy and slickened her ass as well. She switched her position to spoon me so my cock could enter her ass more easily. She pushed onto my cock with only a slight wince of pain from the initial entry into her small hole. I pushed forward, into her anus. I reach around her and massage her breasts, pulling her tighter into me as I slowly but firmly push all the way in.

We remained on our sides, relaxing for the moment in the pleasure of one another's bodies and basking in the tingle that rippled over our skins; me with my cock imbedded in the warmth of her body, her ass filled to the hilt with my perfect cock. My final thrust spurts my love juice deep into her ass and fills her with the hot delight of my cum.

— Benjamin, Tampa

My first biggie

Here in college, I've has a chance to suck 23 cocks so far (I'm only a freshman) and I did my best. Until I got a thick nine-incher I tried to get that thing in my mouth but it just wouldn't fit. Now I have to admit defeat. It's way too thick for my mouth. So what am I to do with it, now that's its here in front of me? Why shove it in my pussy, of course!

— Lady B., MSU

Alex came over to help me with my biology lesson. As you can tell, we didn't spend too much time on the books but on the bed. We checked out the differences between us, and finally decided to put ourselves to good use. Check out our sizzling hot video we made for biology class.

One thing to keep in mind is that not every woman is comfortable with the concept of giving oral sex to a man, especially when it comes to his privates. Some men can climax easily with oral sex while some find it less enjoyable than other sexual activities. We believe it is all the talent of the woman that determines the fate of the man's penis. So let's assume for a minute... let's assume that the blow job has been around as long as mankind. Perhaps only the...

hand job has been around longer, except for your own hand. That probably means that the majestic cock has been sucked and licked so many times, it's just not worth counting. But I digress. It is, however, worth exploring, after all you see enough of it on these pages, and we hope you get enough of it in your private life. After all, it is one of the sexiest ways a man can be pleased. Many men we've spoken to often prefer it over intercourse.

First of all, we men know if you like doing it or not, just by how you go about it. If you don't like it, we'll know because the enthusiasm and technique will not be there. So be passionate about giving head. Go for the gusto and it will turn us on so incredibly that we'll say around the office, "I had the BEST blow job today," and we'll remember it for many hours of masturbation later.

A woman in charge of the blow job and who wants to seriously give her man pleasure, is in control of us in this moment. So we've gathered some tips on what we men think are some of the best ways to make love to a man's penis:

It's mostly about his pleasure –

To give the best blow job ever you will need to put some effort into it. Putting his cock in your mouth and simply going up and down on it will accomplish nothing, this is not a blow job. You hold the power to give us the best blow job ever, so unleash it!

Eye contact – Let us watch as you master the cock. If you are lying on the bed between our legs, or if we're standing looking down, we're intently watching you. Try using one hand to stroke our tummy, our balls; run your hands and down our legs, thighs, nipples, and hold our cock with the other hand so you can guide it or stroke it. If you're

holding our cock as you're going at it and we pull it away, don't worry, we just want you to go all the way down just using your mouth. Watching you go all the way down is incredibly sexy for us see his cock disappear down your throat. Especially if you are making eye contact with us.

For those who spit – Some of us men like our blow jobs sloppy wet; there can never be too much saliva during oral sex to keep the rod sliding. Saliva is a natural lubricant in this instance but if you've been going at it a while, the mouth will naturally dry up. Add some spit or keep a glass of water or liquid of your choice nearby to help keep the juices flowing.

Test the testes – Suck our balls. We men don't usually get a lot of attention to our balls because most women think they'll hurt them. But if you gently stroke them and suck them by taking one into your mouth at a time, tonguing it, then moving to the other one, you'll see how much enjoyment is derived from this attention. Then use your tongue horizontally up the vein of the cock and feel us gasp when you again, suck it into your mouth.

Take a break to talk – While giving oral sex, saying things like "you taste so good", or "you're so big", in your sexy voice are a definite plus while giving a blow job. But more specifically we're referring to the verbal communication needed to know what exactly we like that you're doing, or not. Ask us, "Do you like it when I do this?" or "Which way feels better for you?" Communication plays a major role in giving us the best blow job ever.

Hummer? Why a hummer? – By humming or making slurping noises during a blow job, did you know you can actually send vibrations throughout the penis which

can be very enjoyable for us. It also means that you're probably having a good time too.

Do it like Linda Lovelace – In my opinion deepthroating is the best bj technique ever. There is nothing like watching our entire penis come spilling out of our partner's mouth. Then flick and wag your tongue around the head, take a deep gulp of air and go down again. Repeat and repeat until you feel us ready to cum and then hold it there.

Nibble but don't bite – Another little trick that makes men gasp with pleasure is when you use your teeth ever so gently on the tip of our cock. Be sure there is a lot of saliva for gliding your teeth on. Start out by having your teeth clenched together, then glide down the head and slowly open your mouth. Close your lips around the shaft as you move downwards. Then try flicking your tongue as your teeth give way and cause a suction with it. It's not complicated, just try nibbling here and there, oh, and don't forget the balls.

While some men enjoy a little nibbling, there is nothing worse than the pain that can be felt from scraping teeth. Some scraping is going to occur. There is no way to prevent it especially when you're going fast and furious. You can prevent some of the scraping by using your lips to cover your teeth as well as being aware of the position of the penis.

Try different ways to do the same thing – Most men who are uncut are extremely sensitive when the head is exposed by pushing the skin all the way down and holding it down to suck (but be careful some can find this painful). Sometimes try leaving the skin up and stick your tongue between the outer skin and head and wiggle it around. Pressure is important too. Squeezing with your lips as you move up and down our cocks is often the key

to making us cum. Vary the pressure, the depth and the speed and you'll find that combo can work almost every time.

Spit or swallow? – And last but not least, the age old question, to swallow or not to swallow. A woman swallowing cum is always a turn on, but many don't or won't do it. No problem. Just keep it in your mouth and spit it out after we're done cumming. If you're not going to swallow, then I like cumming by jacking off in the last seconds before onto your breasts, ass or wherever. Many of us men grew up watching porn and in all porn, pulling out of the mouth and other orifices is the norm, so the viewer can see the glorious "money shot." As a result, many of us associate an awesome orgasm with pulling out and cumming that way. Many ladies find it a turn on to see the fruits of their labor, or feel the warm love juice on their breasts.

Of the top 5 questions most asked by guys online, "Do you swallow?" is one of the most asked questions. This is because a man's ego lives in his penis. If you swallow our ambrosia, our ego is given the ultimate compliment.

After we cum in your mouth, slowly pull away and leave the cock alone for now. It is painfully sensitive and can't bare any more attention for a few minutes. A nice warm washcloth placed on the shaft and scrotum feel lovely while we're resting and recuperating.

Finally, listen to the noises we make and be acutely aware of what makes us happy. If you want to make us cum without the old in-and-out, the blow job is usually our medicine of choice. I know I've never refused one. Patience, passion plus variety of moves shows that you too can be an artist of oral sex.
